BISTRO

“Little Orchard” at Tallavera Grove is one of the original old homesteads of the property. Sally Molines is in heaven again as she decorates her perfect retreat and makes people feel welcome with her attention to detail.

The two bedroom/two bathroom, self contained cottage overlooks beautiful rolling hills, Tallavera Vineyards and little winding roads and has all the comforts of home.

Sally also provides bacon, eggs (from her own chickens), fresh local breads, juices and fruit from the orchard itself for a leisurely self-cooked breakfast.

After a day of wine tasting and enjoying the valley, just a stroll away from the cottage is “Bistro Molines” where guests can enjoy lunch or dinner to complete your experience.

As an added luxury, Robert Molines can provide picnic baskets or light suppers for in-house dinners by the cosy woodfire.

“A stay at Little Orchard is like your own very special country residence!”
