Please let the cellar door staff know that you have dined with us to receive this offer!

Tallavera Grove is the home of John and Sue Davis and Family, who invite you to enjoy the wines from this beautiful vineyard. The Davis Family also own vineyards in the premium cool climate winegrowing regions of Orange, NSW, as well as Coonawarra and Wrattobully, SA, each producing varietal specialties under their optimal growing conditions. Small parcels of wine are produced each year under their own vineyard labels and are offered here for your enjoyment and comparative interest.
